

RESOLUTION

ADOPTING REVISIONS TO THE PUBLIC INFRASTRUCTURE MAP FOR THE NORTH SHORE SUSTAINABLE COMMUNITIES PLAN AREA, WAIALUA, OAHU, HAWAII, TO RELOCATE WAIALUA FIRE STATION.

WHEREAS, the Public Infrastructure Map for the North Shore Sustainable Communities Plan area has been adopted under Resolution 00-265, FD1; and

WHEREAS, pursuant to Chapter 4, Article 8, ROH, the Public Infrastructure Map for the North Shore Sustainable Communities Plan area needs to be amended to reflect the placement of a fire station; and

WHEREAS, the relocation of the Waialua fire station within Waialua or Haleiwa as shown in Exhibit A1 to a site to be determined following completion of a site selection study is consistent with the general plan, the North Shore Sustainable Communities Plan, and the appropriate functional plans; and

WHEREAS, through the planning process that occurred while developing the Waialua Town Master Plan published June 2004, the Waialua Community believes that TMK 6-7-001:005 is the preferred site for the relocation of the Waialua Fire Station, and expresses their desire and support for this site; now, therefore,

BE IT RESOLVED by the Council of the City and County of Honolulu that the Public Infrastructure Map for the North Shore Sustainable Communities Plan area be revised to include a fire station symbol for the relocation of the Waialua Fire Station as described in Exhibit A1 attached hereto and made a part hereof; and

BE IT FURTHER RESOLVED by the Council of the City and County of Honolulu that the fire station symbol shall be deleted from the Public Infrastructure Map by administrative procedure once completion of the project has been certified in writing by the applicant/agency to the Department of Planning and Permitting and the Council; and
